A HOME YOU CAN LIVE IN WITH TRUST A FUTURE BUILT ON STRENGTH

At **Forev Tem İstanbul**, safety is not merely a promise; it is a value built from the ground up. Using the most advanced engineering technologies, we have created a living environment designed to withstand earthquakes.

Every stage of the construction process is inspected by expert teams, ensuring not only today's safety but also the security of the future. Because we work with the mindset that we will live here alongside you.

Here, life is protected by a strong engineering approach.

A LIFE THAT BEGINS IN PEACE AND CONTINUES WITH TRUST

Forev Tem İstanbul offers a living experience that prioritizes tranquility while preserving comfort at the heart of the city. From its architectural design to its landscape planning, from social amenities to interior layouts, every element has been thoughtfully created to respond to both the emotional well-being and everyday needs of its residents. This approach is not merely an aesthetic choice; it is a conscious decision that sustainably enhances quality of life while strengthening a sense of belonging and trust.

The sense of calm and prestige you will experience from morning to evening is supported by Forev's meticulous craftsmanship and carefully implemented service standards.

Here, peace, trust, and prestige all come together.

FROM TODAY TO TOMORROW A STRUCTURAL APPROACH THAT CREATES VALUE

With 25 years of experience, **Forev Yapi** is not merely a company that constructs buildings; it represents a construction culture committed to adding lasting value to the future of the city.

In every project, we develop living spaces that are in harmony with their surroundings, sustainable, and designed to generate long-term value. For us, urban transformation is far more than a process of renewal; it is a responsibility rooted in trust: one that enhances the urban fabric, strengthens social structures, and contributes positively to city life. We design with today in mind and create value for tomorrow.

Trust, continuity, and quality of life are inseparable parts of a single whole in here.
