Bursa is a unique city that has been in existence for 7 thousand years and which have witnessed the establishment of many empires...

Bursa, which has been developing rapidly since the first years of the Republic, is the fourth largest city of our country with its modern and orderly structure.

Bursa, which stands out with its natural beauties and its social life alongside with its caravanserais, bazaars, mosques and hot springs, is also one of the most important cities uplifting Turkey.

Bursa, which is always included in the top 10 in the list of livable cities, is gaining more importance for our country with each passing day thanks to the roads, bridges and investments that have been completed in recent times.

A NEW ARCHITECTURE, A NEW LIFE

Welcoming you with a spacious entrance, Harmony Towers has an architecture that will impress you at first sight ...

Sprung to life with the perfect harmony of the two towers with the houses with terraces, in this innovative project of Bursa, the structures do not block each other. Thus, your home can take maximum advantage of the sunlight during every moment of the day.

Its trees, lawns, ornamental ponds and the inner courtyard decorated with walkways bring together all shades of green with blue.

With its Shopping Street having the only private marketplace in Bursa, Harmony Towers invites you to a new life.

HARMONY TOWERS IS A HOME TO ALL OF YOUR INDISPENSABLES

A more modern, more enjoyable, and a greener life, along with many more other privileges that could be added in this list ... Harmony Towers is designed to bring all of these privileges together.

With its 6-storey Terrace Houses building having a terrace in each apartment, with its 23-storey and 28-storey towers offering exquisite views of Uludağ, with its Shopping Street, and with its lush interior courtyard covering an area of 5.500 m², life at Harmony Towers is experienced exactly as the way you would want.

LITERALLY LIVE INSIDE THE SCENIC VIEW

Harmony Towers' life full of privileges is crowned with a magnificent view of the city and the Uludağ Mountain.

Open your curtains to feel the life during the day and the glow of the city during the night and let yourself be enchanted by the scenery.

FOR THOSE WHO CAN'T DO WITHOUT SPORTS

A life without sports is unthinkable.

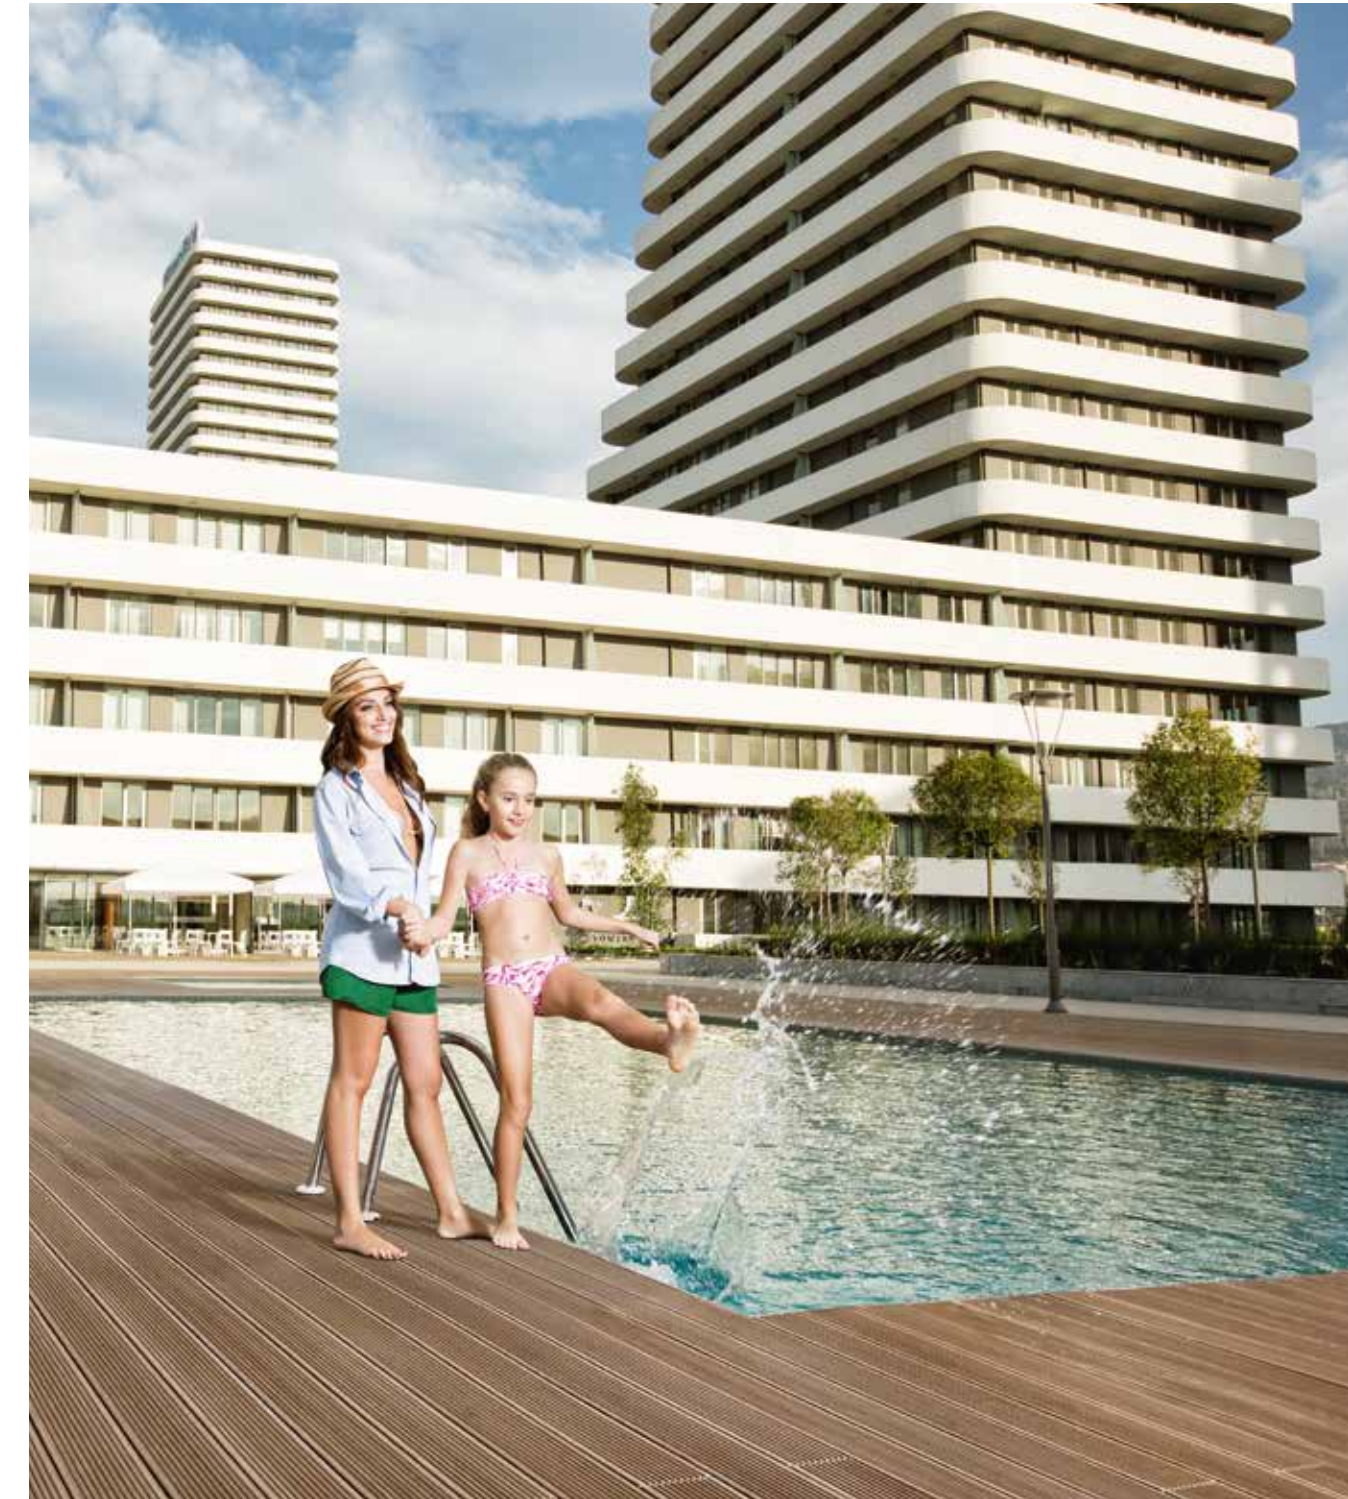

Thus, for those who both want to keep fit and feel the excitement of head to head competition, everything you would ask for is at Harmony Towers, from the fitness center to the basketball court.

ENJOY SUMMER IN YOUR OWN POOL

Now prepare to open every summer season in your own pool.

Because, there is a huge swimming pool at Harmony Towers for those who want to enjoy the summer to repletion.

Moreover, you will feel at ease while your kids have fun thanks to the paddling pool special for the kids.

**DOUBLED FUN
IS AWAITING FOR YOU
AT YOUR FLOOR GARDEN**

Imagine a brightly shining Sunday morning. You are having a great breakfast together with your loved ones; or you have come from work in the evening, you have extended your feet, looking at the lush green landscape and listening to the sounds of water.

All this is not a dream in Harmony Towers.

Go out to your floor garden and enjoy every moment of your life.

THE STREET IS YOURS TO SHOP

One of the many things that the Harmony Towers blazed the trail is the Shopping Street.

This street, which has the only private marketplace in Bursa, brings together both the shopping enthusiasts and those who want to have a nice time.

In short, the new address for shopping is the Harmony Towers Shopping Street.

AS YOU FEEL LIKE

Reflecting the difference it reveals with its architecture also inside your homes, Harmony Towers has everything that your heart would desire.

Offering a stylish bathroom with choices of modern fixtures and sinks, Harmony Towers will add flavor to your life with its kitchens featuring the top brands.

EXPERIENCE LIFE IN DETAILS

Harmony Towers reveals its quality in its every detail. Head out to your oxygen-filled floor garden from your room that has a floor-to-ceiling glass, which thus catches the sunshine all day long. Prepare your stuff if you wish and have a picnic on lush grass.

Because as we always say, the secret of a happy life is hidden in the details...
